Subject - Budget estimates of Davangere Town Municipal Council for
the year 1944-45

Sir,

I have the honour to forward herewith a copy of the Budget estimates
Davangere Town Municipal Council, for the year 1944-45, ~~xxx xxy xxx~~ with the
necessary statements and to state as follows -

The Municipal Council expects to have an opening balance of Rs.1,82,190/-
at the commencement of the year and the total income anticipated for the year -
1944-45 under the several heads is Rs 4,17,455/- The receipt side of the Bud-
get may be adopted with the following modifications

A1 Octroi

The estimated income under this head is Rs 65000/- against the
sanctioned estimate of Rs 50,000/- for the year 1943-44. The enhanced provision
for the current year may kindly be retained in view of the fact that it is based
on the revised estimate for 1943-44

A2 2 Taxes on buildings and lands

The income of Rs.30,000/- anticipated under this head may kindly be retained, as it is based on the actual collec-
tions up to end of April 1944 and the anticipated receipts during May and --
June 1944

A4 Taxes on professions and trades

A sum of Rs 6000/- is estimated --
under this head for the year 1944-45, as against Rs 5000/- for the year 1943-44.
The enhanced provision is reported to be due to the fact that the total demand
including arrears at the beginning of the year is Rs 11,149/- and strenuous --
efforts are said to be made for collection of at least Rs 6000/- The provision
may kindly be retained

A5 Tolls

The right to collect tolls at the municipal Toll gates of --
Davangere Town during the year was sold by public auction and a sum of Rs 28,
850/- was realised as against Rs 34,600/-, during 43-44. The decrease is said
to be due to the decrease in vehicular traffic consequent on the introduction
of the food grains control order. The provision may kindly be retained

A6 Water Tax

A sum of Rs 16,200/- is anticipated to be collected under
this head during the current year as against Rs 12,500/- during 1943-44. The
actual collections up to end of April 1944 were Rs 12,200/- and a further sum -
of Rs 3900/- was expected to be collected during the remaining two months. The
provision of Rs 16,200/- is therefore based on the revised estimate for Rs

for 1943-44 and may therefore be allowed to stand

A7 Conservancy cess - A sum of Rs 8000/- has been provided under this head as against Rs.3000/- during 1943-44. The revised estimate for 43-44 only Rs 4000/- and the actual collection during the first eight months was only Rs 1705/- The provision of Rs 8000/- for the current year appears to be rather too high and may perhaps be reduced to Rs 5000/-

C Revenue derived from municipal property apart from Taxation/C1 Rents on buildings and lands

The total demand including arrears under this head is Rs.8400/- Out of this, a sum of Rs 4500/- is expected to be collected during the current year, which may kindly be retained

C2 Sale of lands - A sum of Rs 50,000/- is provided under this head as there are a number of valuable vacant sites in the town and there is demand for the same. The provision may kindly be retained

C5 Fees and Revenue from Educational Institutions - Municipal High School - A sum of Rs 7015/- is estimated to be realised during the year as against Rs 3800/- during 1943-44. The increase is due to the increase in the strength of the school and the provision may therefore be retained

C6 Fees and revenue from markets and slaughter houses -

The right of collecting fees at the weekly mandy has been sold in public auction for a sum of Rs 12,000/-, as against Rs 10,300/- sanctioned for 43-44. The provision may therefore be retained

C10 Water Tax (House connection Fees) - A sum of Rs 23,000/- is expected to be realised under this head against the total demand of Rs 29,675/- for the current year. The provision, which is based on the revised estimate for 1943-44 may kindly be retained

The total provision under C (Revenue derived from municipal property -- apart from taxation) is therefore Rs 1,02,060/-

D Grants and contributions - A provision of Rs 94,772/- is made under this head for the following items

		<u>As modified</u>
1 Loss of vehicle tax.	Rs 197-0-0	197-0-0 ✓
2. Construction of R C C tank	Rs 23,000-0-0	Deleted
3 Construction of municipal High School	Rs 10,000-0-0	10,000-0-0
4 Underground drainage	Rs 19375-0-0	19,375-0-0-
5. Bus Stand	Rs 20200-0-0	deleted
6 Compensation	Rs 20,000-0-0	10,000-0-0
7 C, cholera, plague and cholera charges	Rs 2000-0-0	2000-0-0.
	Rs.94772-0-0	35145-0-0 (for duplicating the electric pumping unit)
		Rs 66,717-0-0

Item No 1 may be retained

As regards item No 2, Government in their order No L 7693-4/M1 75-41-49 dated the 27th January 1944 while sanctioning the revised estimate amounting to Rs 1,38,000/-, have directed that the cost should be met by the Government and the town Municipal Council, Davanagere, in the proportions of 1/3 and 2/3 respectively, and that the Government share of the cost viz., Rs 46,000/- has already been drawn by the municipal Council. The provision of Rs 23,000/- on this

on this account may therefore be deleted.

Item No.3. - A grant of Rs.10,000/- is anticipated as a grant from Government towards the construction of a building for the Municipal High School at Davangere, as the school is now located in a rented building. The Municipal Council has resolved to construct a building for this purpose as per plan to be furnished by the Government Architect. As difficulty is being experienced in obtaining a suitable building for housing the school, there is necessity for a separate building and the provision of Rs 10,000/- may kindly be retained pending receipt of definite proposals in the matter.

Item No.4 Underground drainage in Pr. ce Sra. Jayachamarandra Nagar Extension

Government, in their order No L 9463-6/11 86-41-9 dated the 10th March 1944, have sanctioned the estimate amounting to Rs 77,500/- for the underground drainage work in two stages in the above extension, the cost being met by the Government and the Municipal Council in equal shares. Towards the first stage of the work, Government sanctioned a sum of Rs 19,375/- from the Town Improvement grant and a like sum from the closing balance at the credit of the Municipal Council, during 1943-44. Provision has therefore been made for the second stage of the work during the current year, which may kindly be retained.

5 Bus Stand - Davangere An estimate amounting to Rs 53,500/- has been forwarded to Government with this office letter No. M.C. 2591/42-43 dated the 16th May 1944, with a request that certain items of the estimate amounting to Rs 14,464/- may be ordered to be taken up in the first instance, as the entire estimate cannot be worked out in one year, being a costly project. Government have so far given a grant of Rs.6550/- for the work, the balance of Rs 7914/- required to work out the first stage of the project being met out of Municipal Council and orders of Government are awaited. Consequently the provision of Rs 20,200/- made for the purpose in the budget estimate of the Municipality for the current year may therefore be deleted.

6 Compensation - A sum of Rs 20,000/- is anticipated as a grant from Government towards half the cost of acquiring certain lands for the formation of an extension and for constructing the R.C.C. tank. As no definite proposals have so far been received in respect of the former, which is intended for providing sites for the poorer classes and removal of congestion, the provision of Rs 20,000/- may kindly be reduced to Rs 10,000/-.

7 Cyanogas, plague and Cholera charges - The grant of Rs 2000/- anticipated to be obtained from Government may kindly be retained in view of the fact that Davangere Town, due to its heavy population and consequent congestion in the town suffers from epidemics and to ~~watch~~ ^{prevent} their spread, precautionary measures are to be taken well in time. Besides the above items, sanction of Government has been sought in this office letter No A6 70/44-45 dated the 29th August 1944 for sanctioning an estimate amounting to Rs 50290/- for duplicating the electric pumping unit for Davangere water works at Iarihar, with a request that half the estimated cost may be given as a grant from Government. A provision of Rs.25145/- for this purpose has to be shown under this head.

The other items of contribution under D3 may be allowed to stand.

With the above modifications the provision of Rs ^{156,045/-} ~~466,045/-~~ made under 'D' contributions and grants in aid is reduced to Rs 77990/- which may kindly be retained.

E Miscellaneous - A sum of Rs 900/- is provided under this head as against Rs 700/- during 43-44. This may kindly be allowed to stand.

F Public Debt - A sum of Rs ^{51,150/-} ~~51,750/-~~ is provided as receipts under this head for 1944-45 as against Rs 27,100/- during the year 1943-44. This may kindly be retained.

EXPENDITURE

A General Administration - 2 Municipal Office - Salary of Establishment

A sum of Rs 5582/- has been provided under this head as against Rs 5200/-

~~Rs 5582/-~~ ~~Rs 5200/-~~ in the year 1943-44 This increase of expenditure during the current year is due to the proposal of enhancing the scale of the Head Clerk from Rs 40-2-50 to Rs 50-2-60, with a view to secure the services of a more responsible and experienced official, and to the payment of house rent allowance at Rs 20/- to the ~~Chief~~ Chief Officer of the Municipality. In view of the fact that a proposal has been received to permit the Chief Officer to draw the maximum pay of the appointment, on account of the abnormal cost of living in Davangere Town, the question of payment of House rent allowance does not arise and may therefore be deleted. The provision of Rs 5582/- is therefore reduced to Rs 5342/-

Another sum of Rs.930/- has been provided to entertain two more hands on 25-1-40, in order to cope with the heavy work in the office. Definite proposals have been received in this behalf and are under submission to Government. The provision may therefore be retained.

A II Collection - 1 Octroi - The provision of Rs.2268/- (Rs 828/- in respect of the permanent establishment and Rs 1440/- in respect of the temporary establishment) made in the budget of the current year as against Rs.2088/- in 1943-44, may finally be retained.

A II - 2 Other taxes - A sum of Rs 3299/- is provided under this head for the current year, as against Rs 2665/- sanctioned for 1943-44. The enhanced provision is on account of the entertainment of five temporary process servers for a period of 3 months. This may be therefore allowed to stand.

A II A sum of Rs.2000/- is provided towards pensionary contribution as against Rs 1800/- provided ~~in 1943-44~~ during 1943-44. The increase is due to the additional establishment proposed to be entertained to cope up with the heavy work and may finally be retained.

B Public safety - A sum of Rs.10,510/- provided under this head for payment of electric lighting charges may finally be retained.

C Public works executed by the Public Works Department

The Municipal Council, in view of the resolution passed by it, to permit the Municipal Council to execute all the sanctioned works through the Municipal Council, ~~to execute all the sanctioned works through the Municipal Council~~ the Municipal Agency, have not made any provision under this head. But Government, in their letter No. 1795/ ml 80-44-2 dated the 23rd August 1944, have stated that, as the construction of the R C C, tank and the drainage scheme at Davangere, require technical skill and supervision, the proposal of the Municipal Council does not commend itself to Government, consequently provision in respect of the following is made:

- 1 construction of under ground drainage Rs 58125/-
Note, out of Rs 77,500/- estimated for this work the Government grant of Rs 19375/- for 43-44 has already been drawn and adjusted provision for payment of balance viz Rs 38,750/- payable by the Municipality and Rs.19,375/- being the grant payable for the current year has been made. Rs 58125/-

Total of (1) and (2) Rs 66,039 Total (1) + (2) Rs 66039

A sum of Rs 66039/- is therefore provided under 'C' public works carried out by Public Works Department, and may therefore be sanctioned.

D Public works carried out by Municipal Agency

A provision of Rs 2,30,134/- has been made under this head for the following items of work.

		As modified?

Item No 6 Construction of a Vegetable market

In view of the fact that the location of the Vegetable market has not yet been decided and as the plan has not yet been received from the Government Architect, the question of taking up this work during the current year, is therefore remote and the provision made is therefore deleted, which may kindly be approved

The increase in the provision is due to the increase in the rate of payment of cart hire from Rs 35/- to Rs 65/- in the case of street rubbish carts and from Rs.10/- to Rs 70/- in the case of 3 pairs of bullocks required for the night soil trollies, consequent on the abnormal rise in the price of live stock and fodder. The increase is also due to the enhancement of the number of conservancy carts from 20 to 25 and night soil trollies from 2 to 3. The provision may therefore be allowed to stand.
